Greetings

On behalf of the City of St. Catharines, it is a pleasure for me to extend greetings for the 32nd World Religions Conference hosted at the University of Waterloo.

This year's conference, themed Idea of an Ideal Government, commemorates the Queen's Diamond Jubilee and compliments Her Majesty's reign of equality, justice and freedom for all faiths and philosophies.

Today the faith community has united, through the World Religions Conference, to promote peace, understanding and tolerance. Together, you all strive to make our world a better place.

This multi-faith collaboration truly demonstrates your dedication and the commitment to make a difference. You should all be commended for your efforts.

Sincerely,

Brian McMullan
Mayor
