32nd World Religions Conference
5 Elliot Street
Cambridge, ON N1R 2J3

Dear Mr. Anwar,

Thank you for the invitation to attend the 32nd World Religions Conference (WRC) taking place at the University of Waterloo. Unfortunately, I am unable to attend today as I am in Windsor attending to prior commitments.

We are blessed to live in a province and country that is culturally diverse and inclusive of many faith communities. I thank the World Religions Conference for establishing the largest multi-faith event in Canada, both in the attendance and the number of faiths that are represented.

I wish you a successful conference and please extend my best wishes to all delegates taking part in the conference.

Sincerely,

A handwritten signature in black ink, appearing to read "Teresa Piruzza".
