Greetings from MPP Raymond Cho

As the Member of Provincial Parliament for Scarborough North, I am delighted to extend my warmest greetings to everyone attending the 39th World Religions Conference, Canada's largest & longest Multi-Faith event hosted by the Ahmadiyya Muslim Jama'at of Canada.

This World Religions Conference has promoted peace, understanding and tolerance thereby strengthening the bonds between various religious and non religious communities through meaningful and respectful dialogue, spiritual presentations and social interactions.

This year's theme is "**How to establish a Just Society**" as in the current age there is a sharpened awareness of the many injustices happening around us. Various faiths and philosophies will discuss their unique perspectives on this theme.

I wish to thank the well dedicated coordinators, various congregation members' volunteers, and sponsors for their hard work and dedication in organizing today's multi-faith conference.

My best wishes for an enlightening and a memorable event!

Sincerely,

Raymond Cho
MPP – Scarborough North
