

Kathleen O. Wynne, M.P.P.

Don Valley West

It is my pleasure to extend sincere greetings to everyone at 39th World Religions Conference.

I regret not being able to attend this year but I want you to know how much I support this conference, which promotes understanding and mutual respect. I want to congratulate the Ahmadiyya Muslim Jama'at for facilitating this remarkable gathering.

I have always felt that one of Ontario's most valued strengths is its diversity. This Conference, which brings together eminent leaders within many faith communities, fosters a spirit of cooperation and provides for Ontario's extraordinary diversity.

When asked what makes a great province, the answer is clear. It is our ability to work together to make a difference. Opportunities to cherish and celebrate our differences, allow us to appreciate the diversity of our province and create indestructible walls against intolerance and discrimination.

I want to thank you for all of your hard work and dedication. Your contribution helps strengthen the Province of Ontario.

Once again, congratulations on your tremendous contribution to humanity!

Sincerely,

A handwritten signature in black ink that reads "Kathleen Wynne".
