

September 2019

Dear Friends,

On behalf of the City of Cambridge and our City Council, it is my pleasure to welcome you to the **39th Annual World Religions Conference**; Canada's largest and longest running multi-faith event.

I wish you a successful and rewarding event as you explore the questions surrounding **How to Establish a Just Society**. This conference truly is an example that shows that despite our diverse backgrounds and experiences, we can still work together to provide a safe, caring community for all.

Take the time you spend this weekend to share your successes with each other and build your next steps to continue the great work that comes from this opportunity.

Enjoy!

Kathryn McGarry
Mayor of Cambridge
