A Message from Mayor Rick Bonnette

October 14, 2021

Please accept my heartfelt congratulations on the celebration of the 40th World Religions Conference.

It is especially heartening during these difficult times, to see continued efforts to promote harmony and mitigate discord. We are all members of this earth and of our own unique communities. I thank and applaud the efforts of all who promote and engage in opportunities that celebrate differences instead of tearing them down.

To all of the conference participants, I wish you a successful, uplifting and joyous event.

Sincerely,

Rick Bonnette
